COMMENTS SOUGHT ON DESIGNATION OF 211 AND 511 AS ABBREVIATED DIALING CODES

CC Docket No. 92-105

Comments Due: June 6, 2007
Reply Comments Due: July 6, 2007

On July 31, 2000, the Commission released the *211/511 Assignment Order*,¹ in which the Commission, among other things, assigned ~~the~~ abbreviated dialing code 211 to be used for access to community information and referral services, and the abbreviated dialing code 511 to be used for access to traveler information services. In that Order, the Commission indicated that it would examine and reassess these assignments in the future. Accordingly, the Wireline Competition Bureau requests comment on the status of 211 and 511 implementation to determine whether the 211 and 511 dialing codes are being utilized in the manner for which they were assigned. If these codes are not widely used, what can the Commission do to facilitate more widespread use?
